## JULY 2022 NEWSLETTER

### ACTIVITIES

We are lucky! Since March, four times in a row, our monthly picnic/pétanque event has been favored by a beautiful weather. Let's hope that it's going to be the case again on Sunday, July 10, when we will hold our next picnic/pétanque event at Mead Botanical Garden (Winter Park), starting at 12:30 pm, as usual.

Our next indoor event will take place on Saturday, July 23, with a friendly potluck dinner, starting at 6:30 pm, followed by the projection of a French movie subtitled in English. Our movie nights take place in our office, located at 1516 East Colonial Dr., Orlando, FL 32803. Parking and entrance at the back of the building. You will soon receive an invitation with all the details regarding this event.

As far as our language school is concerned, it doesn't close for vacation in summer. Our classes are continuing at full speed for adults and children.

Moreover, for kids, we organized in June two weeks of summer camp, named French Fun and Learning, and we are offering another couple of weeks this month: July 11 to 15 and July 18 to 22. For more details and registration, please consult Kenza Wilhite at [Kenbenw2005@gmail.com](mailto:Kenbenw2005@gmail.com).

Season 18 of the "Discover France and its Culture" goes on until July 16. Then, there will be a pause, and Season 19 will start on August 12.

Finally, we regret to inform you that the price list of our language school is modified, with new prices starting on July 1.
