AUGUST 2022 NEWSLETTER

ACTIVITIES

Once again, in July, our monthly picnic/pétanque event was not disturbed by bad weather. The next picnic/pétanque event will take place on Sunday, August 14, starting at 12:30 pm, at Mead Botanical Garden (Winter Park), as usual.

AFGO next indoor event will occur on Saturday, August 20, with a friendly potluck dinner, starting at 6:30 pm followed by the projection of a French movie subtitled in English. Our movie nights take place in our office, located at 1516 E. Colonial Dr., suite 120, Orlando, FL 32803. Parking and entrance at the back of the building. Within a few days you will receive an invitation with details about this event.

As far as our language school is concerned, the various programs continued in July, i.e., the online or in-presence courses took place, with a few exceptions due to teacher vacation. This year, AFGO offered 4 weeks of summer camp for kids (2 weeks in June and 2 weeks in July). In total, we accumulated 35 registrations to this French Fun and Learning summer camp, and the kids had a great time.

Season 18 of "Discover France and its Culture" ended on July 16. However, a pause is being observed during a few weeks, and season 19 will start either on August 12 or 19. You will receive a notice accordingly.
