OCTOBER 2022 NEWSLETTER

ACTIVITIES

Our next picnic will take place on Sunday, October 9, starting at 12:30 pm, at Mead Botanical Garden, as usual. But, this month, it will not be our standard monthly event. Halloween season is starting. So our school will join the picnic/pétanque event. Come disguised. After the usual potluck lunch:

- A pétanque tournament will be organized,
- Our teachers will animate several craft tables and games for the kids who will participate in this fun Halloween day.

This gathering is open to children and adults who wish to have a good time in an American-French environment. This event is posted on our website at <https://www.aforlando.org> .

Mid-September, our school started a new activity class on Saturday morning, geared toward children 4-11 years old. This class aims to expand children's French vocabulary by focusing on specific themes, while using imagination and creativity. Based on activities and crafts, we offer children another approach, less academic, to learning and playing with the French language. For October, the themes will be: Oct. 1st: The solar system, Oct. 8th: The forest animals, Oct.15: Discovering the house, Oct.22nd: Kids will come disguised in their dream job costume, Oct. 29th: Halloween.

Our monthly movie night will take place in our office on Saturday, October 22nd, starting at 6:30 pm, with a potluck dinner, followed by the projection of a French movie subtitled in English. You will soon receive an invitation with details about this event.

Season 20 of the "Discover France and its Culture" lectures started on September 23rd and 24th, in English on Friday evenings and in French on Saturday evenings, starting at 6:00 pm.
